TECHVRIENDJES.

App er zin in.

CODECOMBAT.

Programmeren door spelen.

Wat is CodeCombat?

CodeCombat is een **spel** om mensen te leren programmeren.

Door **puzzels** op te lossen en **ogres** te verslaan, doorlopen spelers de spelniveaus om steeds complexere programmeerconcepten te leren!

Programmeren door spelen

Succes!

GO FOR IT.
A little bit better every day.

You are free to:

Share — copy and redistribute the material in any medium or format

Adapt — remix, transform, and build upon the material

Under the following terms:

Attribution — You must give appropriate credit, provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the licensor endorses you or your use.

NonCommercial — You may not use the material for commercial purposes.

ShareAlike — If you remix, transform, or build upon the material, you must distribute your contributions under the same license as the original.

No additional restrictions — You may not apply legal terms or technological measures that legally restrict others from doing anything the license permits.
